## PRODUCT INFORMATION

**Item:** 37SM.LEGACY

**Item Description:** (LEGACY) SBE 37SM MicroCAT

**Serial:** 37SM29475-2357

### Special Notes

Problems Found:

The instrument was found to be flooded.

The flooding appears to have been through the instrument connector as all other O-ring services did not find evidence of a breach.

The instrument connector was not replaced at last service.

This was not deemed as a warranty issue and the instrument will be returned AS IS.
